

Gatekeeper Suicide Prevention Workshop

Registration Form

Gatekeeper Suicide Prevention is a two day workshop designed for professionals and para-professionals in the human services whose roles bring them into regular contact with people at risk of suicide. This workshop aims to help participants:

- Gain an understanding of the problem of suicide
- Identify suicide risk
- Provide a framework for risk assessment and intervention
- Develop appropriate intervention skills
- Understand the limits to confidentiality
- Understand the importance of consultation
- Gain an understanding of self-harming behavior
- Gain an understanding of the link between mental disorders and suicidal behaviours
- Understand the importance of postvention

Note: Participants need to be aware that the workshop is intense and demanding. They are encouraged to consider the potential emotional impact (on themselves) before attending.
